GLASS R 48.00 | 1Lt R 160.00 | 1.8Lt R 270.00

Tequila is derived from Agave Tequilana and is named after a town in the state of Jalisco, Mexico. The Agave Tequilana is a smaller version of the Century plant cactus. The Clear tequila, when mixed with lemon or lime juice, in a salt rimmed glass produces this marvellous Mexican import, the tantalizing "Margarita".
